

Product Phase out Notification

September 15, 2011

This letter is to advise you, that after considerable thought, DGP has reached a decision to stop the manufacturing of the RPM series.

- Models affected:
 - RPM all series

- What you can do if you wish to continue use of the affected RPM product line:
 - Replace the RPM product with the DGP Bravo PDU series.

- Timeline:
 - DGP will continue to provide technical support and spare parts for RPM for a maximum of 2 years, assuming component availability from our suppliers.
 - You must place your final buy order of the RPM by September 30, 2011.
 - All Shipments will occur by the end of November 2011.

You may contact your sales window with any questions or concerns regarding this matter.
